RESOLUTION # 2017-19

PURCHASE – Vehicle Repair

Whereas, a vehicle in the fire district fleet requires the replacement of valve gasket covers and competitive quotes for the project were obtained from at least two vendors capable of doing the work; and

Whereas, the lowest quote obtained to date will not exceed \$650.00; and

Whereas, the Chief Financial Officer has certified that there are sufficient unencumbered funds in the fire district's 2017 budget to pay for this repair.

Now, therefore be it resolved by the Board of Fire Commissioners of Pennington Borough Fire District No. 1 that one more quote for the replacement of valve gasket covers and attendant work on a fire district vehicle be obtained and the repair is hereby authorized from the lowest quoting vendor capable of performing the work at a cost not to exceed \$650.00, to be charged against the Truck Repairs and Maintenance appropriation in the fire district's 2017 budget.
