2019 FIRE DISTRICT BUDGET MESSAGE & ANALYSIS Pennington Borough Fire District # 1

FISCAL YEAR: January 1, 2019 to December 31, 2019

Answer all questions below. Attach additional pages and schedules as needed.

1. Complete a brief statement on the 2019 proposed Annual Budget and make comparison to the 2017 adopted budget. Explain any variances over +/-10% for each line item. Explanations of variances should include a description of the reason for the increase/decrease in the budgeted line item, not just an indication of the amount and percent of the change. Attach any supporting documentation that will help to explain the reason for the increase/decrease in the budgeted line item.

The 2019 budget is for \$ 923.577 an increase of \$ 282.543 or 44.1 %. The 2019 budget includes a \$300,000 deposit for a new firefighting truck. The source for the \$300,000 is the fund balance being utilized. The amount to be raised by taxation decreased 14.3% or \$35,523. The amount of other revenue from the adjoining district increased 4.6% or \$18,066. Overall administration expenses increased 2.3% due to an increase of \$1,000 in telecommunications. Cost of Operations remains consistent to 2018; a \$3,166 increase (41%) to firefighting and radio repairs and maintenance was offset with a \$2,934 decrease (13%) to truck repairs and maintenance. These increases and decreases are due to items deemed in need of repair in 2019. Other assets non-bondable decreased 60.8% or \$83,329. Firefighting equipment's budget for 2019 decreased \$10,156 or 30%. Other equipment decreased \$70,933- in 2018 the purchase of non-bondable equipment was offset with the use of the Cap Bank. The LOSAP budget increased \$35,000 or 44%- the increase is needed due to new eligible members. In 2017, there were 18 new members. The budget allows for the reserve for future outlays to be \$106,489 compared to \$76,724 in 2018. Debt costs remain the same.

2. Complete a brief statement on the impact the proposed Annual Budget will have on the Amount to be Raised by Taxation to support the district budget and on the Restricted and Unrestricted Fund Balance(s). Explain increases or decreases in the tax rate and utilization of fund balances. If Unrestricted Fund Balance is reduced by more than 10%, explain the projected impact on the following year's budget.

The amount to be raised by taxation decreased 14.3% or 35,523. \$300,000 of the fund balance will be used for a deposit on a new firefighting truck. The budget allows for the reserve for future outlays to be \$106,489 compared to \$76,724 in 2018.

3. Include a statement explaining how the Fire District is complying with the Property Tax Levy Cap. The statement must explain reasons for exceeding the Levy Cap and identify the appropriations that caused the Fire District to exceed the Levy Cap, and how they are being addressed by a referendum.

The proposed budget is under the property tax levy.

4. If the Fire District plans to pass a Resolution for the Release of Restricted Fund Balance, explain the reason and purposes of the appropriation.

A resolution was passed to use funds as a down payment on a new truck.

5. Complete a brief statement on the Annual Budget's proposed capital appropriations and payment methods, including debt service for the proposed budget year and for future years.

The proposed budget contains debt service payments of \$103,460 for the next nine years for a truck previously approved. The payments will be offset by fifteen yearly payments of \$78,146 to be received from the adjoining district.

6. If the proposed Annual Budget contains an amount for a Cash Deficit of the Preceding Year pursuant to N.J.S.A. 40A:14-78.6, then explain the reasons for the occurrence of the deficit.

N/A

7. Does the Annual Budget appropriate such sums as it may deem necessary for the purchase of first aid, ambulance, rescue, or other emergency vehicles, equipment, supplies and materials for use by a duly incorporated association, pursuant to N.J.S.A. 40A:14-85.1? If so, provide the organization's incorporated name and amounts.

8. Complete the following based on the municipal assessor's latest information pursuant to N.J.S.A. 54:4-35:

Total Assessed Valuation of District	\$ 496,927,100
Proposed Tax Rate per \$100 of Assessed Valuation	\$.042

9. Is the Fire District providing for a first year funding appropriation to establish a length of service award program (LOSAP) in this year's budget subject to public referendum thereof?

٠,	and the same		000		
1	No	X	Yes	If yes, how much is appropriated?	\$
